Accelerated Foundation Programme (AFP)

This highly focused programme will open doors to successful careers in business, law, finance and accounting and a range of business management roles. With the choice of 3 specific study paths, you will have the valuable opportunity to specialise your degree, and to concentrate your knowledge with a view to pursuing jobs in focused areas of business.

This dynamic and industry relevant course has been specifically tailored for native English speakers or students who satisfy the English Language requirements of IELTS 6.5 or equivalent, meaning that both UK resident and International students have the chance to prepare for entry onto higher education.

What will you learn?

In preparation for success in your chosen field, when you study towards an AFP, you are given the option of electing 1 of 3 possible study paths:

- Business and Management
- Finance and Accounting
- Law and Social Sciences

Why study for an AFP?

The AFP is tailored to provide you with the necessary qualifications guaranteeing progression onto a range of highly regarded undergraduate degrees. Each module has been designed to develop strong academic skills, and is focused to reflect your career goals; enabling you to specialise your degree.

Additionally, when you register to study for an AFP at LSBF you can benefit from:

- A work placement with a leading multinational company
- A regularly reviewed, career relevant syllabus
- World-class faculty with industry experience
- Guaranteed progression on to any undergraduate programme at LSBF
- The opportunity to network with students from 150 countries
- Strong academic support ensuring you are able to develop language, study, and academic skills for successful completion of your undergraduate degree
